

VERDEJO

DESCRIPTION:

Vega de Castilla Verdejo is a wine designed by Avelino Vegas S.A. and created by our oenologist Jose Manuel Corrales in the area where Spanish white wines are booming : D.O.RUEDA. With our vast expertise in this area (since 1981) we can vouch for a high quality product and its future success.

WINERY AND VINEYARDS:

Avelino Vegas S.A. controls more than 475 hectares of vineyard, located mainly in the area of Segovia, where it has placed its winery. In this area the vineyards are small, the mostly between 1 and 3 hectares. The cultivated varieties are Verdejo and Sauvignon and the vines have an average age of 35 years, that contribute to elaborate wines with a great complexity of aromas and good structure.

ELABORATION:

The harvest is made after a rigorous control of maturation. After de-stemming the grapes, a light cold film maceration takes place to increase the aromatic intensity of the must. The grape is soft pressed and the clean must is fermented to a controlled temperature during a period of 20 days. The new wine is racked and remains in contact with the fine lees, providing the wine of more volume and complexity.

TASTING NOTE:

Straw yellow coloured with light greenish borders, clean and bright. Great expressiveness on the nose, intermingling the own aromas of the verdejo variety such as fresh cut hay, fennel, with the typical aromas of the tropical fruits like pineapple, guava and mango. On the palate is explosive, fruity and creamy, with a very fruity; long and silky end.

RECOMMENDATION: Ideal as appetizer. Perfect with seafood, fish and pasta dishes.
